Forecast for Monday 27 Mar 2023

Weather: Cloudy or partly cloudy overnight with the chance of the odd shower, any showers wintry over the summits, although clearer spells by dawn with the odd mist or fog patch possible. Mainly dry and bright during daylight hours with occasional sunny breaks, but isolated light showers cannot be ruled out, again any showers wintry over the summits. Clear skies at times in the evening, but high cloud moving in.

Chance of cloud-free hill tops above 600m: 90%

Low cloud and visibility: Patches possible around the summits overnight and early morning, otherwise no significant cloud. Visibility very good, except in any early summit cloud or showers.
